

As an established member of the Calgary business community for over 20 years, Irene Besse Keyboards has had the opportunity to support many wonderful groups, events, initiatives and fundraisers. Being an active part of the community in which we live is something all of us at Irene Besse Keyboards take pride in supporting. Below you'll find a partial listing of just some of the associations and groups we've contributed to in one way or another. Whether it is a donation of a good or service to a live or silent auction, or the use of a piano or keyboard or the use of meeting space or recital space, these are some of the people we've touched.
